No. 11932—*Ed.* 240, *dated* 21*st January* 1902.

The following Resolution No. 481—492, of the Government of India in the Home Department (Education) under date Calcutta, the 15th November 1901, is republished for general information :—

The Government of India have recently received intimation from the British Legation at Tokyo, that orders have been issued by the Education Department of the Japanese Government, to the effect that applications on the part of foreign students for admission to Schools in Japan must be made through the Diplomatic or Consular Representatives of their country in Japan. It has been suggested to the Government of India that it would be a great convenience to His Majesty's Legation at Tokyo, if Indian students who desire to prosecute their studies in Japan were provided with recommendations from a recognized authority in India, as it is undesirable that applications should be made to the Japanese Education Department without some guarantee as to the character and antecedents of the persons on whose behalf such applications are made.

The Governor General in Council accordingly desires to make it known that Indian students proceeding to Japan for their education should, before their departure from India, provide themselves with an authoritative certificate of identity in the form appended to this Resolution, signed by the head of the District (in a Presidency town, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. The District or Political Officer will endorse on the certificate of identity his opinion whether the person is a British subject "by birth" or "by naturalization" (or a subject of a Native State) or not. Quarterly returns of the certificates granted will be submitted to the Local Governments and Administrations who will forward them to the Government of India for transmission to His Majesty's Legation at Tokyo. But as it is necessary that no delay should occur, the District or Political Officer when granting or countersigning a certificate will at the same time send a copy of the certificate to His Majesty's Legation direct.

Local Governments and Administrations are requested to take steps to secure that all reasonable facilities are given for obtaining certificates of identity, and that wide publicity is given to these orders.

ORDER.—Ordered, that this Resolution be communicated to all Local Governments and Administrations for information and guidance.

Ordered also, that a copy be sent to the Foreign Department for information and communication to Political Officers.

Ordered, also, that the Resolution be published in the *Gazette of India* for general information.
